at the Old Art Building in Leland

**Dates: October 8, 2010
October 9, 2010**

**Friday Opening: 5 to 8 pm
Saturday Exhibit: 10 am to 5 pm**

The Leelanau Community Cultural Center is planning its tenth annual Fiber Festival. We are inviting artists who represent fiber art mediums. All items must be original, conceived and executed by the applicant. This exhibition will be limited to pieces in the following categories: paper, baskets, wearable art (clothing), weaving, quilt making, textile murals and knitting.

All exhibits will be inside the Old Art Building in Leland. Approximate space allotment will include a 6' or 8' long table and be about 9' deep. Some wall space or easels will be provided. Exhibitors will decorate their own area. **Set up time is Friday, October 8 from 11 to 4 pm.**

Two photos or a CD of digital photos representative of the artwork you will exhibit in the show must be submitted with completed application and postmarked by April 1, 2010. Be sure to label photos with name and medium; also indicate top of photo.

If you would like your artwork to be considered for our advertising, you need to send professional 8" x 10" color prints or digital photos. To submit digital photos, images should be 300 dpi, image size should be 6" or 1800 pixels on the longest side. Image format must be JPEG and saved to a CD – DVD discs will not be accepted. Title each digital image with your name and medium (ex. smithweaving1.jpg) and enclose a printed copy of the photos with the CD.

The exhibition fee is \$50 and must be sent in with your application and photos. If your application is not accepted, your exhibition fee will be returned with your photos. Should your work be sold as a result of display at the LCCC, you agree to donate 15% of the sale price to this organization. In the past, we have found that products that sell best are in the \$50-300 price range.
