

The Old Art Building strives to be accessible to all area residents. While the OAB offers many free events and learning opportunities throughout the year, our fee-based classes may be out of reach for some people due to economic factors. To help with this, the OAB offers scholarships to help cover up to 50% of the cost of an OAB class. A limited number of scholarships are available and will be awarded based on demonstrated need. Children, residents of Leelanau County, and/or OAB members will receive priority. Scholarships are possible through the generous donations of individual gifts.

Scholarship Application

- Applications should be received in advance of class start date.
- Scholarships are awarded on a case-by-case basis. Up to 50% of the class fee can be requested, but applicants will be notified of the approved scholarship amount.
- All financial information is strictly confidential.
- Payment plans are also an option and must be approved by the OAB office.
